Fitness and Impairment in the Workplace

The Union, its members and the Employer recognize that addiction to drugs or alcohol is a health problem that may amount to a disability that requires accommodation under the Human Rights Code. The Union and the Employer are committed to helping employees get the counseling, treatment, rehabilitation and support they need to overcome these health problems.

The Union and its members acknowledge that employees must report to work fit to perform their duties free

from impairment, including but not limited to impairment from sleep deprivation, alcohol, cannabis and controlled substances (whether legal, prescribed or of any kind). The Union and its members recognize that employees who report to work impaired, or become impaired at work, may face disciplinary action up to and including termination.

The Employer understands and agrees that members of the Union may require the use of prescription medication for the treatment of illnesses and diseases. Where members of the Union are prescribed medication or are suffering from an illness that may affect their fitness to perform their assigned work, the employee is required to advise the Employer and request accommodation which will not be denied unless such accommodation amounts to undue hardship. TRAVELLING AND BOARD ALLOWANCE:

- a) Zones: When employed on a job, the amount of travelling expense payments will be governed by the distance of the job site from the Toronto City Hall.

The Employer agrees that an employee has the option of using their own vehicle when travelling to and from the job site. No employee shall be required as a condition of employment to travel in a vehicle supplied by the Employer.

Using the Toronto City Hall as a swing point, five (5) concentric circles are swung.

The first circle is swung with a twenty (20) km radius. The area circumscribed will be the first zone and work within this area will entail no travelling allowance.

The second zone includes only the Toronto Island and for work in this area an allowance of fourteen dollars & fifty cents (\$14.50) effective May 1, 2022, sixteen dollars & twenty-five cents (\$16.25) effective May 1, 2023, eighteen dollars & twenty-five cents (\$18.25) effective May 1, 2024, per day per man shall be paid.

three dollars twenty-five cents (\$53.25) effective May 1, 2024, per man per day shall be paid.

A cut-off line for the 5th zone shall be created that runs westward through the length of Lake Ontario and intersects with the land at a point that is on the same longitude as the intersection of the QEW and the Red Hill Valley Parkway before continuing in a straight line towards this intersection. From this point, the cut-off line will continue along the lengths of the Red Hill Valley Parkway and the Lincoln M. Alexander Parkway until it intersects with Highway 403. From this point, the cut-off line will continue along Highway 403 in a southwesterly direction until it intersects with Highway 52. From this point, the cut-off line will continue in a northerly direction along Highway 52 until it intersects with Highway 99. From this point, the cut-off line will continue in a southwesterly direction along Highway 99 (this turns into Highway 5 at Osborne Corners) until it intersects with the Zone 5 radius. Beyond this cut-off line room and board allowance shall be paid.

When employees travel within zones 1-5 in a vehicle supplied by the employer no zone allowance will be paid to these employees.

- b) Beyond 95 km – When employed on a project that is beyond ninety-five (95) km from the Toronto City Hall, Roofing Personnel shall be paid travelling time at their regular hourly straight time rate of pay and travel expenses for the first trip to and last trip from the job. In addition, Room and Board allowance, as per the rate below, will be paid to the employees per day worked:

Effective May 1, 2022 – \$141.25

Effective May 1, 2023 – \$145.75

Effective May 1, 2024 – \$150.75

If an employee chooses to return home when employed beyond ninety-five (95) km from the Toronto City Hall, the employee will be paid \$90.00 – May 1, 2022, \$95.00 – May 1, 2023, \$95.00 – May 1, 2024 per day instead of the full Room and Board allowance, however, this exception shall not apply in the following circumstances:

- i) for the first trip to and the last trip from the job;
- ii) for any legal holidays;

- iii) the last day in any particular week if that is the only day during that week than an employee returns home;
- iv) beyond 240 road kms from Toronto; and
- v) for the day that an employee returns home of his or her own volition after sixty (60) or more days of employment per c) below.

The above allowance shall be paid to employees for legal holidays provided that they work a full shift on the normal working day before the holiday and a full shift on the normal working day immediately following the holiday.

When employees report for work while employed in this area and are sent home due to job conditions, they shall be paid show-up time and the applicable Room and Board Allowance above.

If, however, the duration of the job is less than a full week, board and lodging expenses are paid at cost.

If work has been performed for the Employer on the first or last day the Employee is travelling, either before the start or at the end of the journey, the money earned for the hours worked will be in addition to the travelling time. Standard meals while travelling shall be paid for by the Employer and should they be travelling overnight; the Employer shall pay for sleeping accommodation.

Room and Board Allowance shall be based on seven (7) days per week when working beyond two hundred and forty (240) road km from Toronto.

- c) Return to Toronto – Roofing Personnel shall be paid under the same conditions and in the same amounts as in Clause “b” above should it be considered necessary by the Employer or his Representative for them to return to Toronto before their work is completed or if they return of their own volition after sixty (60) or more days of employment in the area.
- d) Visits Home – Roofing Personnel shall be paid travelling expenses but not travelling time for trips home hereafter scheduled.

One trip home every month when employed over three hundred and twenty (320) km from Toronto.

In addition, Roofing Personnel who desire it, will be paid for one (1) trip home under the same conditions at the Christmas season.

The length of stay at home during these trips shall not exceed five (5) working days unless the Employer agrees to an extension.

- e) Method of Travel – Employees may choose their manner of transportation but the Employer is only obligated to pay the best available rate for air or train service.
- f) Car Allowance – If an Employee agrees to use his car for transportation from the job site during working hours, in addition to any other remuneration or reimbursement he may be entitled to, he shall be paid the maximum rate allowed by Canada Revenue Agency.
- g) Discharge or Voluntary Separation while out of town – Other than under circumstances described in Clause “c” above, should an employee be discharged for cause or quit without cause before the completion of the Employer’s portion of an out of town project, the Employer is not required to pay travel time or supply or pay for the transportation for the employee’s return to the City of Toronto.
- h) Type of Transportation – All transportation referred to in this Collective Agreement shall be both sheltered and insured transportation.
- i) Parking – Employees will be reimbursed for parking charges within Zone 1 upon the presentation of receipts.
